

27 April 2021

The State Government has announced the end of the 3-day lockdown in Perth and Peel from 12.01am on Tuesday 27 April 2021. It also announced continuing restrictions.

In response, Civic Legal has:

- > allowed staff to work either in the office or at home;
- > replaced all face-to-face meetings with telephone and videoconferences; and
- > postponed all planned internal and external events until further notice.

These arrangements will not affect continuity of service to our clients. Our staff are fully contactable by email, telephone and via video-conference.

Please feel free to contact me if you wish to discuss any of the above.
